School-Primary Elections Set For August 2nd

Three Precincts For Special School Election

There are to be three precincts at up in the newly formed Crawford County School District for the convenience of the qualified voters of the district voting their opinion at the special election to be held on August 2nd.

Elections in the former Grayling street may cast their ballot at a high school gym in Grayling in the past. Those in the former school district, with the exception of Lovell Township residents, to vote at the Fredrick Town. All three polls will be open from 7 a. m. to 8 p. m.

There will be four ballots, one elect a permanent board of seven trustees to operate the new district, one to approve millage for operation of the district, one to elect a new board of directors to operate the district, and one to elect a new board of directors to operate the district.

It must be pointed out that one is not to be a tax payer to vote on any of the issues, only a qualified registered voter. It is lawful for non-property owners to vote for millage up to 5 for 5 years.

The district cannot operate on income received from state aid for the five mills allotted by the Allocation Board and must elect a board to meet the expenditures.

The millage requested is not a tax for the former Grayling district, which was paying the five mills before the districts combined. The Fredrick district was paying four mills so it is a mill raise in that area.

In addition to the five mills the district was and will still have another 4 mills to retire the indebtedness on the elementary school. This millage is to be levied in the former Fredrick district.

Robert Smock and Dr. B. E. are running unopposed for two four-year terms on the board of trustees. Gerald Burns, Patrick Harwood for the three-year terms, and Dr. Paul Dosch for the one-year term.

There is one contest, that for two-year terms. Harold Riggs, Frederick, and James Kolka and Patricia Fowler of Grayling are running for the two-year terms.

EDITORIAL —

GRAYLING TO TRAVEL SHOW?

Last year, the Grayling Area Chamber of Commerce had space in three travel shows, Detroit, Cleveland and Indianapolis. We had no personal representative there, however.

Even to have a third of a booth it was necessary for the Chamber to budget \$300.00 and to assess each member an extra \$5.00 for printed matter to distribute in the three spots which were attended by an estimated 250,000 people.

This face-to-face telling of our area can not be beaten for real effective results. This was shown after our participation in the three shows last winter. But to have a local person on hand at these shows would budge the results upward tremendously.

This year's program, coordinated by the EMTA, for cities in our area will call for participation in four shows, Columbus, Ohio; Detroit Fairgrounds; Cleveland, Ohio and either Cincinnati, Ohio; Indianapolis, Indiana or Dayton, Ohio.

Grayling Area Chamber of Commerce manager Earl Longworth has come up with a plan that just might work. In the bulletin to the Chamber members he asks for forty civic-minded members to step forward and donate \$25.00 each to assure participation for the Grayling area in the four shows and to man the booths with local people.

We think it is a fine idea and one worthy of the consideration of all who are interested in the area. We don't think that manager Longworth would mind if a non-member made a contribution. RWS

Fire Sears Kirtland Nesting Area

A fire which started about 11 a. m. Saturday morning in the Michigan National Guard Artillery Range south of Jones Lake burned an estimated 800 acres while traveling east to the Duck Lake area and south to the Bucks Truck Trail.

The blaze was finally brought under control through the efforts of the Camp Grayling crew and equipment and the Conservation Department personnel and equipment, at about 7 p. m. Saturday. Starting in a duff-infested area, Camp Grayling equipment was unable to get to the fire to extinguish it when first started, and the tinder-dry conditions of the county contributed to its spread. Camp Grayling crew foreman Bob Klein received burns on the face and arm Saturday evening when the radiator of his bulldozer overheated. He was taken to Mercy Hospital for treatment and then released.

Almost half of the largest Kirtland warbler nesting grounds in Crawford County was completely wiped out by the fire, with the probability that a large share of this year's young birds were lost too.

On Sunday a fire was reported to the Conservation Department at 12:50 p. m. in Section 12, T28N, R1W, northeast of Lovell, near Big Creek. This fire burned an estimated 30 acres before being brought under control at about 2:30 p. m. by equipment from Grayling, Roscommon and Mio Conservation Departments and the City Fire Department.

The conference will start Wednesday at 10 a. m. with a Board of Control meeting which is open to the public.

Oliver Taylor, regional director of the Chicago Office of Economic Opportunity (OEO), will speak on "Community Action Agencies." Other speakers at the morning meeting include Arthur Saltzman, director of the Michigan OEO, who will speak on "The Role of the Community Action Director," and Charles B. Park, Central Michigan University special studies director, who will talk on "The Relationship between the Board of Control and the Directors."

A total of 50 NORCAP staff members are expected to attend the two-day conference which will conclude late Thursday afternoon. W. Arthur Brindle, deputy director of NORCAP, said a follow-up conference will be held in "a very short time." He said after this second conference he expects to have "fully qualified NORCAP directors."

NORCAP, Inc., Mt. Pleasant, serves a 33 county area in the northern lower Peninsula to assist in the development and administration of various phases of the Economic Opportunity Act of 1964.

Story Hour ended at the Crawford County Library Friday, July 22nd, with an enrollment of seven children. Sid Canfield and Dean Smith both had perfect attendance records. Guests were from Utica and Williamston. Twenty-five books were read or told to the children during the period. The Reading Club will conclude this Friday, July 29th.

NORCAP Given Further Funds

MT. PLEASANT — NORCAP (Northern Michigan Community Action Program), Mt. Pleasant, will be able to continue its operation for another six months as a result of a grant totaling \$71,952, according to an announcement made by Congressman Ray Clevenger.

The grant was made by the Office of Economic Opportunity under the Economic Opportunity Act of 1964.

Congressman Clevenger said: "The grant enables important expansion of NORCAP programs as well as continuation of the fine services NORCAP has been providing."

NORCAP is an agency which assists in developing and administering various programs under the federal Economic Opportunity Act of 1964. NORCAP represents 33 counties in the northern lower Peninsula. Charles R. Owens, executive director of NORCAP said: "The past six months have been busy ones," said Owens, referring to the past programs initiated by NORCAP. The two main programs, according to Owens, were Medicare Alert, under which 1,296 volunteers worked to inform senior citizens of the Social Security Medicare program, and the Neighborhood Youth Corps project, which will benefit 760 youths from low income families in 28 of the 33 counties served by NORCAP.

Other programs that have just been started make available to all the area's citizens increased legal protection, employment services and better housing, Owens said.

The Rev. Carl Hathaway, Baldwin, is president of NORCAP, Inc. NORCAP received its first grant Nov. 1, 1965 after the non-profit organization was designed by the Central Michigan University Public Services Division to benefit 35,000 low income families. Its offices are located in Mt. Pleasant at 1406 W. High.

The counties being served by NORCAP include: Alcona, Alpena, Antrim, Arenac, Benzie, Charlevoix, Cheboygan, Clare, Crawford, Emmet, Gladwin, Grand Traverse, Gratiot, Ionia, Isabella and Leelanau.

Others include: Kalkaska, Lake, Leelanau, Manistee, Mason, Mecosta, Missaukee, Montcalm, Montmorency, Newaygo, Ogemaw, Oshtemo, Oscoda, Otsego, Presque Isle, Roscommon and Wexford.

The Commission, appointed by Governor Romney, are: Herman E. Cameron, Brimley, Chairman; Walter G. Nakkula, Gladwin, secretary; John R. Winchester, Bellefonte, vice-chairman; William LeBlanc, Detroit; Arthur Thayer, Grayling; William C. Hennessy, Flint; Dr. Lewis Beeson, East Lansing; Charles R. Owens, Mt. Pleasant; Benedict A. Quigno, Mt. Pleasant; Mrs. Wilson P. Tanner, Ann Arbor; and James R. Fitzharris, Escanaba.

1258 At Camp AuSable

June and July were excellent months for camping at Camp AuSable. During these two months 1,258 people used the facilities as campers or visitors. In June there were campers from different states and countries. They came from distant lands such as India, Japan, Korea, Africa and South America.

These children were sons and daughters of missionaries. While their parents were attending the General Conference of Seventh-day Adventists in Detroit they enjoyed the privileges of camping.

The camp is resting now for two weeks. During this time the majority of the staff and personnel are attending camp meeting for Michigan Adventists at Grand Lodge, Mich. On August 7 two more full weeks of camping will begin. These will be for the early teenagers. Camp director, Merrill Fleming reports that applications indicate there will be around 100 for each week.

Camp facilities are being improved. The new well is in operation and the new rest room is about ready for use. Keith Turner and family with Sally Winkelman and Diana Rickards are working at the camp now.

Marriage Announced

Mrs. Jennie L. Knowles of Vestaburg became the bride of Mr. Walter J. Fitzgerald of Lansing at five o'clock Saturday evening, July 16, 1966. The ceremony took place at the Michigan Memorial Church in Grayling, with the Reverend Charles Kolb officiating. Only members of the immediate family were present. Mr. and Mrs. C. Calvin Knowles, son and daughter-in-law of the bride, were the couple's only attendants.

The bride wore a street-length dress of royal blue georgette with beige accessories and a yellow rosebud corsage. Her matron of honor chose a beige lace shirt-waist dress with white accessories and a corsage of white roses. Immediately following the wedding the family enjoyed a dinner at the Penguin Inn.

After a wedding trip to Colorado, New York and Canada the newlyweds will reside in Lansing.

Three Grayling Street Signs Are Broken

Grayling City Manager Harold S. Cliff reported to the Avalanche that three new street signs, erected at Grayling street intersections last year, have been destroyed.

The signs, of cast aluminum, are very durable and it would take a deliberate attempt for anyone to break one, Cliff added. The signs cost the City of Grayling, \$10 each, but, beyond the cost the City Manager said was that the attempt to "dress up" the city's streets was being injured.

He asked citizens to report any witnessed actions around the signs on street corners in the city to him.

Local Pastors Fete Ohio Guard Chaplains

Ministers of Grayling under the chairmanship of Pastor Donald Beyer of Mt. Hope Lutheran Church invited chaplains of the Ohio National Guard to an eight o'clock breakfast Wednesday morning of last week, and a party of 12 was seated at Chief Shoppenhans Motor Hotel to enjoy an excellent meal and exchange experiences. Everyone enjoyed this so much that Division Chaplain (Lt. Col.) Charles D. Reed of the 37th Infantry proposed that it be an annual event. This was heartily endorsed by all present. Originally scheduled for one hour, the breakfast broke up at 10 a. m.

Besides Chaplain Reed the other guests were Chaplains John Armbrust and William B. Reinhardt with the Division 1st Brigade, Paul H. Ruchholtz and Francis J. Boehm with the Division Artillery, Jon W. Barker with the 112th Engineer Battalion and Dean R. Montgomery with the Support Command.

City Firemen Called Out Twice Monday

Grayling Fire Department was called out Monday at 9:20 a. m. to extinguish a fire in a tar wagon at the Grayling Airport, property of the City. The fire was caused from the wrapper in which the tar was shipped getting into the tank and flaming up. Damage was very slight, the department reported.

At 2 p. m. Monday another call was received to put out a grass fire at Viking Supply on M-72 east, cause unknown. No damage was done.

Ohio Guard Rated High

CAMP GRAYLING — The two-week summer encampment of Ohio's 37th Infantry Division which ended last Saturday was described by the division Operations and Training officer as "the most successful we've had in recent years."

"I don't know whether it is because of the world situation or not, but the men have never worked harder in the years I've been associated with this division," said Major Robert W. Teater of Columbus.

Particularly noticeable, Teater said, was the morale and determination of the 6,500 guardsmen. It showed up in the ratings given by regular Army evaluators who scored virtually every phase of training.

The division's 98 separate units received 259 ratings in the superior range, 2,440 in the satisfactory area and only seven unsatisfactory scores.

Comparisons with last year when the 37th finished highest in the nation among Reserve and National Guard divisions are impossible because a new rating system is now in use. Major Teater said, however, he feels the training this year was "better organized."

Brigadier General Carson Niefert, Michigan's Quartermaster General, called the two-week period "one of our most successful camps, due in great part to cooperation of commanders and staffs."

"You were here during a particularly tough time with the dry weather," he said, noting that he expected more fires in the tinder-dry forest lands. "You did a great job in stressing safety and policing."

The only major fires were in the artillery impact areas, unused for any other purpose anyway and bounded on all sides by fire lanes.

General Niefert also thanked the 112th Engineer Battalion for its help in correcting damage that had been done earlier at Howe Lake.

The engineers, commanded by Lieutenant Colonel Joseph Rogel of suburban Cleveland, also made several improvements in the so-called Grayling recreation area of the post.

There were several differences in the training this year—one of the main ones being the fact that most units remained in the Lake Margrethe area the first week instead of both weeks in the field.

Another major difference was the appearance for the first time in the seven years the division has trained here of civilian cars. Alotted on a percentage basis per unit, there were an estimated 250 cars on post.

These caused no serious major problems or incidents, leaders said.

Stressed in the training was the individual soldier, his weapon and his basic unit (squad, 11 men, and platoon, 44 men). There were no widespread unit maneuvers during the two weeks.

Three Grayling Students On Ferris Dean's List

BIG RAPIDS — Judith D. Day, sophomore in the School of Commerce and daughter of Mr. and Mrs. W. Howard Day, Robert A. Hayes, freshman in the School of General Education and son of Mr. and Mrs. O. W. Hayes, and Jack F. Welch, freshman in the School of General Education and son of Mr. and Mrs. Lester Welch, all of Grayling, were among the more than 700 Ferris State College students who were named to the Dean's Honor list for academic excellence during the past quarter. Dr. Robert L. Huxol, Vice-President for Instruction, has announced. To be named to the Dean's Honor list, a student must maintain a minimum 3.0 grade point average.

Grayling, South Branch Twps. Have Contests

Next Tuesday, August 2nd, a primary election will be held in Michigan. In Crawford County, five races concern voters but not all voters will get to vote in all five contests.

For the first year, township officers all over the state will battle in the Primary for their party's nomination for a spot on the ballot for the November General Election. One battle will be in Grayling Township for the Republican nomination for Township Treasurer. Veteran Eureka Stephan is being challenged by Evelyn Skingley Gardiner. Another township battle is shaping up in South Branch Township for the Democratic nomination for Township Supervisor, where Richard Schaefer and Ed E. Dube are meeting head on.

The other three races are on the General Officers Ballot with the Democratic ticket posing the big battle between former Governor G. Mennen Williams and Detroit's Mayor Jerome P. Cavanaugh for the right to represent the party in November for the office of United States Senator.

The Republican side of the ballot features two contests, one for State Senator, the other for State Representative. Incumbent State Representative Nelson G. Tisdale from near Midland is being challenged by LeRoy W. Wahl of St. Helens.

In the State Senator contest, three men are vying to take the seat vacated by Guy VanderJagt of Cadillac who is seeking nomination for the U. S. Representative seat left vacant when Robert P. Griffin was named to the United States Senate to fill vacancy caused by the death of the late Senator Patrick V. McNamara.

The three men running for the GOP nomination to compete in the November election are: John F. Toeppe, former State Representative from Cadillac; Edward W. Tenfounten, Cadillac city attorney and Forrest B. Meek—a Clare Public High School instructor.

Crawford County voters will also receive two other ballots. One is completely blank on which electors are to write the names of three delegates to each party's county convention from each of the seven political subdivisions. The other ballot proposes, levying three-tenths of one mill for three years for the purpose of payment of the construction debt and interest thereon of the Crawford County Library Building.

Voters in the City of Grayling will for the first time cast their ballot on a voting machine which the City Council is testing out for one year with an eye on possible future purchase.

Ballotting will be held in the several Township Halls and in the City of Grayling will take place in the new City Hall. Polls will be open from 7 a. m. in the morning until 8 p. m. in the evening.

Crawford County Tourist Information

July 25, 1966

Day canoeing and canoeing camping continues to be a major activity for our visiting tourists. All rivers in the county offer fine canoeing with rivers low and clear, and insects at a minimum. Birdlife and wildlife can be enjoyed immensely on these trips. Pan fishing on the lakes of Crawford County continues fair with major activity centered on Lake Margrethe, K. P. Lake, and Jones Lake. Trout fishing is only fair on the AuSable Main Stream, North Branch, and South Branch. Hoppers have been catching fish on all three major streams with Yellow Bugs and Skunks being used with fair success. Using large flies on warm nights has produced some large trout. Very few berries either huckleberries or raspberries. Lack of rain has dried most of the berries up.

Small Enterprise - Big Job . . .

In an age when bigness seems to have become a necessity in government, and industry—in fact in virtually any activity you can name—it is gratifying to find a place where size is not necessary to success and has a relationship to quality of service nor the importance of the enterprise. That is the hometown community newspaper.

A national directory of weekly newspapers reports that there are more than 8,000 "hometown" newspapers in the country. These newspapers reach approximately 32 million homes. While metropolitan papers have been beset by circulation troubles, strikes and cutbacks, the smaller papers have been flourishing and enjoying steady circulation increases.

The thousands of smaller papers are a bulwark of independent thought. Without them, there would be no freedom of the press. There would be no record of community life, no reporting of important community events, no expression of editorial views or opinions that

In fact, without the thousands of editors to give it meaning, the institution of a free press would wither and die, and with it the freedom of the people. The local newspaper is a small enterprise that does a big job.

Interesting Items of News Gathered From the Files of the Avalanche of 23 Years Ago.

July 29, 1943

Three more Grayling Michigan men have exchanged their civilian clothes for the "Navy Blue". They reported to the U. S. Naval Training Station, Great Lakes, Ill., last week and are now undergoing a period of boot training there. The Grayling recruits are Albert L. Gierke, 19, son of Mr. and Mrs. Lloyd Gierke, Perry W. Epley, 18, son of Mr. and Mrs. William Epley, and Wellman H. Vallad, 27, husband of Mrs. Zina E. Vallad, Star Route. Their training will stress physical conditioning and indoctrination into Naval customs and procedure, but will also include the fundamentals of seamanship, and a series of aptitude tests designed to help place each in the type of work for which he is best fitted.

Private Arthur Henry Feldhauser of Grayling won his first Army Chevrons this week, those of private first class at Keesler Field, Biloxi, Miss., by qualifying for enrollment in Keesler Field's B-24 Liberator bomber mechanics school. Are you paying more than 11½¢ a gallon for your residential heating oil?

If you are, you're paying too much to heat your home.

If you are now using natural Gas (or plan to) for cooking, water heating, clothes drying or Gaslights, and your use is equal to that of our average residential customer, you can get your Gas for heating under our special service rate at a cost equivalent to fuel oil priced at just 11½¢ a gallon. And the nice thing about our Gas rates is that

the more you use, the less it costs per unit. That's a bargain in anybody's book.

(Can't pay for the cost of conversion right now? Here's good news: whether you convert your present furnace, or even install a new Gas furnace, we will pay for it and its installation by a Gas Company approved heating contractor. And except for the Gas

you use, it won't cost you a penny until October 1, 1966!)

So make your present oil furnace more economical this winter. Convert to economical natural Gas. Then you can start putting your money in the bank. Call us today for the name of a Gas Company approved heating contractor and full details.

Marie, exchanged wedding vows at half past seven on Saturday evening, July 16, 1966, at the Calvary Baptist Church. The double-ring ceremony was performed by the Reverend Frank Frinkle. The bride's attendants were her sisters, maid of honor Miss Helen Papenfus and bridesmaids Mrs. James Post and Mrs. Paul Bradstreet. They were attired in dresses styled alike in jacquard taffeta with a single taffeta rose holding their short veils. Miss Helen's gown was in pink and her sisters' in green. They each carried a single pink rose.

Flower girl Miss Jody Post and ring-bearer Joel Post were dressed as a miniature bride and groom, Jody with a white taffeta floor-length gown and net overskirt and white satin flower headpiece with net veiling. She carried a basket of white miniature carnations and pink rosebuds. Joel was attired in a dark suit.

Serving as best man was Tom Crawford of Cheboygan, with James Post of Wayland and Richard McDonald of Afton the groomsmen and Steve England and Mike Corlew as ushers.
